March MEETING

The March meeting of the Stonewall Jackson Amateur Radio Association was called to order by Vice President, Richard Skinner. After the Treasures report was passed out a short discussion was held about moving the June club meeting to the fourth Thursday just before Field Day.

Hal Tate gave a short talk about traffic handling and Dave Anderson spoke about ARES. The members present at the meeting then watch a short video *Amateur Radio Today*, which was sent to the club by the ARRL.

The 50 – 50 drawing was won by Dick Wilt.

EMERGENCY COMMUNICATION COURSE

The Emergency Communication Course Level 1 class held on March 22nd and 29th with members of SJARA and the Barbour County club was a success. There were 10 SJARA members and 5 members of

the Barbour County club that completed the class and successfully passed the test. Our hats are off to the instructors, Dirk Burnside and Richard Dillon for their time and patience.
