## **AUGUST MEETING**

Twelve members and two guest where present for the August 21<sup>st</sup> meeting of the Stonewall Jackson Amateur Radio Association. Jamie Higgenbotham club treasure, passed out copies of the treasures report which was voted to accept after a motion by Dick Wilt and seconded by Hal Tate.

With no old business to cover the meeting moved on to a discussion of narrow band radio by Richard Fowler, N8FMD.

The next item under new business was a discussion about the club conducting training classes for non-amateurs interested in becoming licensed radio operators. Hal Tate and Richard Skinner were nominated to a committee to make flyers and visit the local schools to generate interest in amateur radio and see if there is enough interest to hold classes.

If there is enough interest to conduct classes the classes would start in January with a VE Testing Session to follow.

If any member or non-member that knows of anyone interested in attending classes please contact Hal or Richard.

John Capuder won the 50/50 drawing.
